

Directions to CAS

By Car

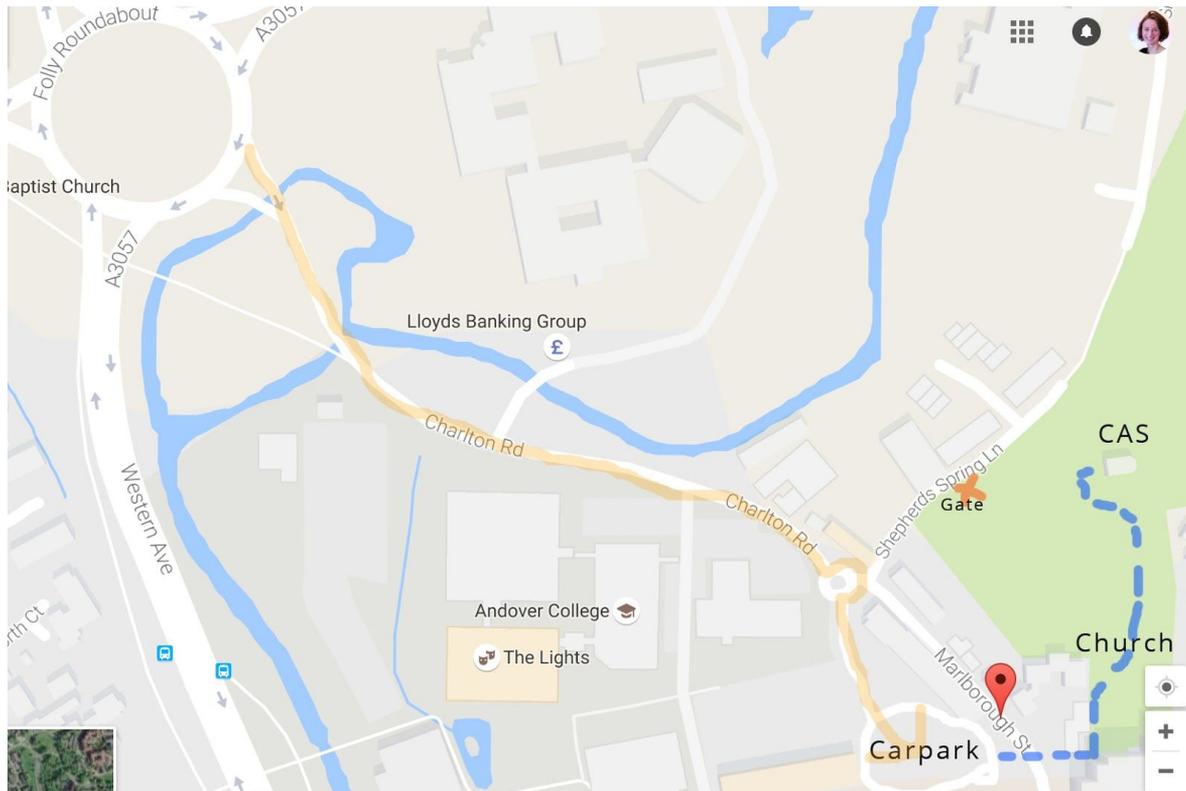

To Park outside the Chapel (free parking)

- 1) You need to approach the churchyard from New Street, [A3057].
- 2) Depending on which way you find yourself, you will spot a telephone box by the road when you approach or leave the roundabout next to Sainsbury's (350 yards). In addition to the telephone box, the Edmonson Electrics building also marks the entrance to Pelican Court where you will turn in.
- 3) As you turn in at the phone box immediately bear slightly right [not left into the car park] ..and you will find yourself driving through the gates of the churchyard.
- 4) Once through, bear left, left,left, carry on through another set of gates, and you will see the Chapel over to your right. After a short while, you can take a right to the Chapel and park wherever there is a free spot around the building.

To walk from at Malborough Street Carpark, 3min

Parking for 1 - 5 hours. Exit the carpark towards the church, and climb the church steps. Follow the path to the left until you can see the Chapel. Enter the Chapel from the far side.

To get there, exit the Folly Roundabout onto Charlton Road which will take you past the College and Lloyds TSB. At the mini roundabout don't go left (which will take you past the church) take the last exit, and drive up the hill to the carpark at the top. This is Malborough St carpark.

Using SatNav (Warning)

If you use the St Mary's Church postcode you will end up passing the front of the church and need to take the one way system all the way back round to the Folly Roundabout and the Charlton Road exit via Western Avenue. *To avoid this:* From Charlton Road do not turn left at the mini roundabout, turn right instead and park at Marlborough St carpark at the top of the hill. (As above)
